"Isn't it nice to know we're loved by someone?" – *from one student to another, St. Paul the Apostle School, Grand Rapids, MI*

"The best comment was from my son who said, 'Gee, Mom, he was really good and not cheesy at all!'" – *Robin Beard, Fax Valley Christian Academy, Neenah, WI*

"Your performance has made our newsletter every week since your visit! Kids can't stop reflecting on it!" – *Erica Thiemann Mazzeo, director, International School of Krakow, Poland*

"I can't tell you how much I enjoyed working with Jerry this past week! The kids all loved the shows... I have gotten very positive feedback." – *Bobbe Burke, Arenac County Character Counts Coordinator, MSU Extension, Standish, MI*

"Just for kicks I decided to click on Jerry's website and was reminded of my first Jerry Jacoby experience at Douglas Elementary in Garden City, MI.

This was waaay back in 1987 but feels like yesterday. That's one school assembly that I haven't forgotten. Who would have thought that the 'name song' would be such an effective attention-keeper? And the baseball/windshield/Jerry's bald spot story. Rich. Memorable." – *R. Adam Davidson, an adult who hasn't forgotten*

We Receive Love Letters:

“Jerry Jacoby’s assembly captured every students’ attention. This is a five star assembly.” – *Crystal Mazeika, PTA President, Byrd Elementary School,, Burbank, IL*

“Not only were you entertaining, but you kept the students at all grade levels (K-2, 3-5, 6-8) focused the entire time. I also loved how you involved the students at every grade level in your performance.” – *Kathy Petroskius, St. Gilbert School, Grayslake, IL*

“Perfect for their age level. My 4th grade daughter, who saw your assembly, was telling me about something that had happened at school one day, and she held up her finger and said “True story!” I looked at her sort of confused and she said, “Mr. Jacoby says that every time he tells a story.” So I guess you’ve left an impression. And a mannerism!” – *Mary Foland, Duker Elementary School, McHenry, IL*

“I was wondering if you could do a return visit for us. Our entire school community was truly blown away by your visit last time.” – *Russ Facione, principal, Bingham Farms Elementary School, Bingham Farms, MI*

“And thanks to your wife, Michaella, for all her help making this possible.” – *Mary Foland, Duker Elementary School, McHenry, IL*
